Sapporo Beer	80

BOKASHI PERERENAN

Our beverages are meant to be experienced intentionally, with a wide selection highlighting our local produce, as well as alternative health-conscious concoctions.

Tea is an integral component of our drinks menu - featuring Indonesian leaves that are grown sustainably and ethically. Also focusing on crafted cocktails, we want to showcase the use of locally-sourced, organic ingredients in a bar setting. Each beverage embodies our commitment to quality and sustainability.

Most key ingredients from our café are available for purchase at the store.

@bokashipererenan
@bokashibali

All fruits and vegetables used in our menu are grown organically in Bali by our team at LYD Organic.

@lydorganic

Single-origin teas (Indonesian)

White Silver Needle 50
Grown on Mount Burangrang, with a vegetal & floral aroma, with mineral wet rocks and perfume finish & light body.

Mountain Grown White Peony 55
Grown on Mount Batukaru, with mineral and wet earthy soil aroma, hints of leather and bamboo forest.

Golden Yellow 45
Grown on Mount Halimun, with complex fruity aromas, yet still smooth and dry. Less astringency, with a melon sweetness.

Smokey Dark Oolong 40
Grown on Mount Halimun, with deep smoky aromas and milky, strong umami flavours. Long & lingering - savory.

Pearl Classic Oolong 40
Grown on Mount Halimun, with natural jasmine notes. Fresh vegetal aromas yet creamy, with lingering floral flavours.

Superior Black 40
Grown on Mount Sindoro, with rich maple syrup notes, honey & nectar aromas and a subtle fruity flavour.

Mountain Grown Black 55
Grown on Mount Batukaru, with deep cedar wood aromas and smoky tobacco & dark chocolate notes, masculine finish.

Silk Green Signature 45
Harvested in Central Java during the early mornings, then roasted using traditional terracotta fireplaces, features a soft umami taste & sweet aroma of young cantaloupe.
